

November 14, 2023

Dear Friends of OneLife Africa,

It's been another amazing camp-packed year at OneLife Africa youth campus! We had 50 post high school students here for LEAD from January through March and then returned in July 2023. We ran university and high school holiday camps in April and August while November camp season started last week. Programs were supported by local Kenyan counselors, 4 visiting teams from churches in the US (Redeemer Church, MD and Calvary Church, PA), OneLife Africa university students and graduates. Hosting hundreds of different students at OneLife youth campus has allowed us to feel the impact of what this facility can offer- a healing space for committed counselors to teach and guide students to grow in their commitment to Christ. We hope and pray over the longitudinal investment in these future leaders as students return each year.

Our facility has seen tremendous progress and welcomed additions this year. Once inside the gate, you'll be greeted by beautiful green grass, stone walkways and potted plants. Other nice touches include patio lights, a ping pong table (thanks Calvary Church 5th graders!) and a finished hall for meetings & movie night with the best views of surrounding farms and mountains.

Since our first "Finishing and Furnishing" in 2018, we are thrilled to announce that our fundraising efforts are down to the furnishing of top levels of the four-building campus. Items remaining include beds, mattresses, chairs for the halls, sound systems, musical instruments and an outside dining area. We have a goal of raising \$100,000 for these remaining facility needs and 2024 operations. Our God is able!

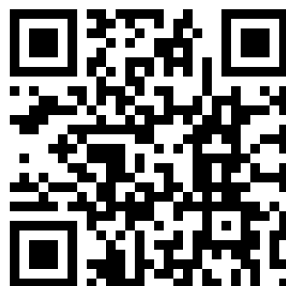

Please prayerfully consider us in your end of year giving. Thank you for your faithful support of OneLife Africa on this incredible journey!

Blessings,
Andrew & Stephanie Onguka
